

HONEYMOON KITCHEN

Cooking, culture, community since 1987

Honeymoon Guesthouse began in 1987 when Jalan Bisma was still a dirt track through the rice fields. Our dream was simple: to create a Balinese oasis where travellers could experience the warmth and spirit of Bali. Together with my husband Ketut, Honeymoon became a place of hospitality, food and culture. Today we are proud to host the Ubud Writers & Readers Festival and the Ubud Food Festival, welcoming writers, artists, creatives and chefs from around the world. The stories, flavours and spirit of Bali continue to live here. Janet, Ketut and family
